Why work for Milton Community Resource Centre?

MCRC goes beyond the traditional 'check in the box' approach to employee development by recognizing creativity, innovation and the work contributions of each employee that aligns with MCRC's strategic objectives. We have a wide variety of programs and services that allow our employees to explore various career opportunities within the organization. We believe in the importance of providing wellness opportunities that support employee's mental, physical and emotional health including paid sick, personal and vacation time based on position type. Our Benefits and Wellness programs include a Flexible Health Spending Account, Child Care discounts, and a free membership to THRC Resource Library.

We're looking for someone who:

- Has experience with a variety of teaching techniques including modeling, active listening, and observing, questioning, demonstrating, and supporting children.
- Can build upon the foundational knowledge of the "How Does Learning Happen?" and "Think Feel Act" documents and the Developmental Relationships Framework.
- Has experience developing and implementing an inquiry-based program following the Reggio Emilia philosophy guided by the interests of the child.
- Can observe children for the purpose of creating learning opportunities that promote development within social, emotional, cognitive, language, sensory and physical domains.
- Has experience working within child care programs and can fully support every age group and function within the program/centre; this includes classrooms, kitchen, cleaning, and administrative tasks.

Every day, you will encourage purposeful play and build upon the interests of children by:

- Creating warm, welcoming interactions that protect the health, security, and well-being of children.
- Creating an atmosphere which builds upon individual learning styles and celebrates the diverse perspectives of the children and their families to remove all barriers that may prevent acceptance and accessibility in the program.
- Using your experience to support inclusion of children with behavioral challenges and differing abilities to foster their development, growth and success in the program and working collaboratively with their parents/caregivers and early childhood specialists.
- Support the implementation of individual support plans for children with differing abilities
- Establishing and maintaining collaborative relationships with co-workers, parents, support workers and community service providers.
